

Rice derivatives

Beneficial ingredients from natural sources

BENEO's rice derivatives include natural and organic ingredients such as flours, starches, syrups, proteins and concentrates. They help to address the rising demand for clean label, organic, gluten-free and hypoallergenic products. In addition, they improve mouthfeel, texture, crispness, crunchiness, shelf-life and colour of products.

BENEO-Remy's portfolio includes:

- Ricestarches, native – REMY
 - Cook-up and instant
 - Conventional
 - Organic grade
- Ricestarches, native waxy – REMYLINE
